

Boothbay Region YMCA Payment Plan

We are committed to ensuring youth enjoy their summer camp experience, therefore, we are happy to work with you and your budget.

The goal is for all camps to be paid in full the Friday before the first day of camp begins.

With this in mind, we have several fixed, weekly payment options, ranging from \$25 per week to \$200 per week. The amount due per week will depend upon the total balance due for all camps your child(ren) are planning to attend and the date you are able to begin making payments. Final payments of plans may be adjusted if there are any changes to registrations.

All payment plans offered will include an authorized Electronic Funds Transfers (or credit card charges) against your account for (membership/program/contribution) payments. When the bank honors the EFT (or credit card) by charging your account, such transfer shall constitute notice of payment due and your receipt for the payment. Should any preauthorized EFT (or credit card) not be honored by said bank when received by them, then it is understood that the payment is to be made by you in the amount of said payment plus service charge. It is further understood that if such payment is not honored by the bank (or credit card institution), then the YMCA, at its discretion, may resubmit the amount due for payment, plus service charge on a future date, without notice. **Any EFT or Credit Card payment that is returned by the Bank, or does not process on said date, is subject to a \$20 per item fee.**

Once your completed registration package is received, our Camp Registrar will process your request and provide you with a Payment Plan Agreement. This agreement must be signed by you and you must provide appropriate payment information before registration can be CONFIRMED.
